Dear Jim:

Enclosed is a copy of a letter I sent today to [redacted] as requested by your May 4th letter. STAT

Under our contract covering [redacted] STAT project, we do own the design rights. In Rod's absence [redacted] called Mr. [redacted] and learned that it STAT would be quite in order for you to furnish the design figures for the two systems t[redacted] so long as no information disclosing the particular use to which we have put them is given. 25X1

I certainly hope our delay in investigating this subject and in obtaining the clearance has not caused an inconvenience.

With best regards,

Sincerely yours,
